ALLEN MARINE COUNTRY

Allen Marine Tours is an Alaska-owned & operated company that has been conducting boat excursions in Southeast Alaska since 1970.

With a fleet of over 25 vessels and operations in Juneau, Ketchikan and Sitka, we are Alaska's largest day-cruise company.

All of the vessels operated on our charters were built in our Sitka shipyard. Our many years of sightseeing experience are evident in each vessel we design and build. Our highest priorities are passenger safety, comfort and panoramic viewing.
